

The Mission: A Science Fiction Novella (Paperback)

By Kaye Hicks

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. The forest floor was covered with the same lush green colors as always. But, underneath the low leaves of the Quasa, a brilliant purple flower declared the arrival of summer on Rytan V. The planet held several secrets like that. You missed them if you didn't take the time to look. It was how Mary felt about herself that summer as she turned fifteen. Rytan V was an undeveloped planet. There were no precious metals or gemstones, no fuels in any quantity. It supported no industry of its own and was too remote to be a bedroom community of some industrialized planet. All it had was people--primitive people, living and dying as they had for centuries, without knowing the Gospel of God's Grace. This was why the Rowaine family had come to Rytan V in the past year. They brought medicine and hope for the Waatuba Indians but, so far, they had no contact with the elusive natives. For Mary's older brother, Larry, it was a difficult age to be isolated in a missionary camp on a foreign field. His arguments with his father had...
